Title of the Abstract

A. Author¹, B. Author¹ and C. Author²*

¹Affiliation 1
²Affiliation 2

E-mail: username@e-mailserver

Keywords: (3-5)

The abstract should include the objective of the study, the methods used, a summary of the results obtained, the conclusion, and references.

Abstracts should be typed in single space on A4 sized paper, with top and bottom margins of 30 mm and the left and right margins of 25 mm. Times New Roman font should be used throughout the abstract. The title of abstract should be centered with 14 point, BOLD word with first letter capitalized except for article and preposition. The names of the authors are displayed in the format as shown above with 13 point letters. The presenting author is underlined and the corresponding author is marked by the asterisk. One line space is left before and after the author line and two lines space between the e-mail address and the text. All the text is 12 point letters. The Affiliation is typed with italic letters. No line space is left between the affiliation line and the e-mail address line. The beginning of each paragraph should be indented by 1 cm. The abstract is limited to one page. The abstract should be submitted in the form of MS-Word file.

The abstract book will be distributed at the meeting. Since abstract will be printed as received, authors are responsible for the contents.

Acknowledgment is an optional part and should be given after the main text.

References should be given after acknowledgement or directly after the main text with one line space, no indent is needed. IEEE referencing style may be used.

The title of Acknowledgement and References should be bold letters with 11 point. References are each number, ordered sequentially as they appear in the text in the form of [number], only the most important and last are listed.
